**Autotrol Corporation
5 Year
Residential Softener and Filter Controls
Limited Warranty**

Autotrol Corporation ("Autotrol") warrants its residential softener and filter controls to be free of defects in materials or workmanship for a period of five years from date of manufacture. Effective October 1, 1991.

If a defect develops, Autotrol, at its option, will replace, repair, or rebuild, free of charge, the control or any part thereof provided that it is:

- A. Returned, postage prepaid, within five years of the date of manufacture;
- B. Accompanied by a written description as to the defect;
- C. The control returned is determined by Autotrol to be defective in workmanship or materials and not misinstalled, misused or abused.

There are no warranties, expressed or implied, including the implied warranties for merchantability or fitness for a particular purpose, whatsoever with respect to the control which extend beyond the limited warranty expressly stated above.

Autotrol's liability to any purchaser of its control, whether in contract or in tort, and whether arising out of warranties, representations, instructions, installations, or defects from any cause shall be limited exclusively to repairing, replacing, or rebuilding the control or any part thereof under the conditions set out above.
